**Re: Dreyer v. Marks Contracting, Ltd.
Docket No. S-2528-2004**

Dear Mr. and Mrs. Dreyer:

Reference is made to my previous correspondence dated August 30, 2007, regarding this matter. At that time, I reminded you that the court had permitted me to withdraw and that in fact I had filed my Withdrawal of Appearance as Counsel. I also indicated that in order to assist your new attorney it would be beneficial for us to arrange for you to retrieve your paper file from me. Despite that information, I have not heard from you and at this time I still maintain your documentation. I believe that your deadline to obtain new counsel and to avoid having the defense proceed against you regarding the ten (10) day notice is rapidly approaching. I need direction from you regarding your file as soon as possible.

Very truly yours,

Gary A. Brienza
