**Pottsville District Mining Office, DEP**  
**5 West Laurel Boulevard**  
**Pottsville, PA 17901-2454**

**Right-to-Know Officer:**

I am requesting a document that would identify who owns /manages the A/C Fuels fly ash dump, Coal Surface Mining Permit NO. 54980201.

I am not interested in the out of state partners if this I part of a larger conglomerate or corporation. I am interested in the local entity that DEP would contact before a visit or with a problem.

As an example, there is another coal fly ash dump located less than one mile from A/C Fuels. The facility is called Honeybrook and is managed by Russell Postupack.

This Right-to-Know law request was made and ignored in the past by the Pottsville District Mining Office.

Under the Right-to-Know law that was established on January 1, 2009 I am requesting the following:

1. Document that shows the local entity that manages and/or owns A/C Fuels.

Sincerely,

Steven Dreyer
