

4/14/2009

McAdoo Borough Council
23 North Hancock Street
McAdoo, PA 18237

Right-to-Know Officer:

On January 31, 2003 my place of residence located at 345 West Blaine Street, McAdoo PA was severely damaged.

The damage done to my property was caused by the illegal blasting during the state mandated sewer system. The contractor hired by the McAdoo Borough appointed McAdoo Borough Sewer Authority was Marks Contracting, LTD.

During the resulting investigation I sent several letters to McAdoo Borough Council to inform the borough that residents of McAdoo Borough were never properly notified to inspect their homes for damage from the illegal blasting of the McAdoo Borough Sewer Authority's contractor Marks Contracting, LTD.

Under the Right-to-Know law that was established on January 1, 2009 I am requesting the following:

1. Copies of all letters that I sent to McAdoo Borough Council informing council that many local residences could still have property damage and were never properly notified to inspect their homes for damage.
2. Copy of the document/letter sent to the residents of the Borough of McAdoo instructing them to properly inspect their homes for damage from the illegal blasting of Marks Contracting, LTD.
3. Copy of the letter sent to Steven Dreyer in reply, after notifying McAdoo Borough Council that properties within the borough were never properly inspected for damage.

Sincerely,

Steven Dreyer
