Re: No reply from Joseph S. Cigan, Assistant Counsel

Dear Mr. Callaghan,

Recently I have sent several Right-to-Know Law Request through your office. Each request was postponed, "Your request is under legal review..."

In each one of the reply letters sent from your office I was instructed to contact Craig S. Lambeth, Supervisory Counsel or Joseph S. Cigan, Assistant Counsel .

On April 17, 2009 I sent Joseph two letters as instructed with questions; I never received a reply or confirmation that my letters were received. Can you suggest an alternate that might want to answer my questions?

I do have several questions as to the role that Craig S. Lambeth or Joseph S. Cigan will play in my RTKLR.

1. Will Craig or Joseph be in charge of damage control from the corrupt investigations that came from your office?
2. Will Craig or Joseph try to acquire as many records as possible under my RTKLR that will help my family?

I am requesting documents and/or questions answered by the PA DEP from someone paid for by my tax dollars that will ensure all my records are sent under the Right-to-Know Laws implemented in 2009 by President Barack Obama and endorsed by Governor Edward G. Rendell.

Sincerely,

Steven Dreyer
