Re: Failure to communicate

Dear Mr. Slusser,

Since September 20, 2004 the McAdoo Borough Sewer Authority, Richard P. Mislitsky and Spotts, Stevens and McCoy have alienated my family and forbid us from contacting them.

This discrimination has place an overwhelming and unnecessary hardship on my family and prohibited us from acquiring the necessary information into the undocumented blasting done to our home on January 31, 2003.

As the newly appointed MBSA solicitor is it the intentions of your office to continue with the policy of discrimination implemented by Richard P. Mislitsky?

Sincerely,

Steven Dreyer
