Re: Steven and Patricia Dreyer
Complaint Letters
SSM File: 107274.0001.0100

Dear Authority Members:

Marion DeBalko has forwarded to me three letters received from Mr. Steven Dreyer. Those letters were dated November 4th and 5th of this year (copies enclosed). As you may be aware, I had previously responded to Mr. Dreyer on your behalf. Subsequently, Mr. Dreyer responded to my letters to him. It is clear to me that Mr. Dreyer will not be satisfied with any response that does not include an acknowledgement of responsibility for alleged blasting damage. Further responses, in my opinion, are not a prudent expenditure of your limited funds since there is no real possibility of progress regarding this matter.

I can respond to those letters on your behalf if so directed. Otherwise, I will simply retain copies of those letters for future reference. Should you have any questions, please contact our office.

Very truly yours,

Carl F. Dicker, Jr., P.E.
